
Announcement of establishment of new corrugated container plant in India

Oji Holdings Corporation (Director of the Board/President: Susumu Yajima, Head Office: Chuo-ku, Tokyo) announces the decision on establishment of a new plant in Gujarat, India.

1. Packaging Business in India

Oji Group set “Further expansion of overseas business” as one of the major pillars to strive towards the realization of an innovative value-creating company.

Our group decided in December 2017 to establish its third corrugated container plant in Chennai, Tamil Nadu, which is under construction.

The new plant will be Oji Group’s fourth corrugated container plant and located in Sanand Industrial Estate in Gujarat in Western India, which is active to invite manufacturing companies. Oji Group will further to expand business by establishing the new plant.

The new plant will be Oji Group’s 24th corrugated container plant in South East Asia and India.

2. Overview of the New Plant
