## Notice Regarding Operation of Pulp Production Facility in China

---

Jiangsu Oji Paper Co., Ltd. (President: Hirokazu Yasui, Head office: Nantong City, Jiangsu Province, “Jiangsu Oji”), a subsidiary of Oji Holdings Corporation (President: Masatoshi Kaku, Head office: Chuo-ku, Tokyo, “Oji”), announces to implement the following measures in order to respond to the temporary and sudden decrease in demand for paper and pulp in China.

The Jiangsu Oji pulp facility is currently shut down due to facility maintenance and will remain so until early June. The production suspension will result in a reduction in production volume amounting approximately 100,000 tons.

Despite the circumstances, Oji will do its utmost to prevent any inconvenience to customers and other related parties, and sincerely appreciates your continued understanding and patronage.
