
Announcement of establishment of new corrugated container plant in Vietnam

Oji Holdings Corporation (President: Masatoshi Kaku, Head Office: Chuo-ku, Tokyo) has decided to establish a new corrugated container plant in northern province of Vinh Phuc, Vietnam.

1. Corrugated container business in Vietnam

Oji group set “expansion of overseas business” as one of the major pillars to strive towards the realization of an innovative value-creating company.

Our group is operating 5 corrugated container plants in Vietnam (3 in North & 2 in South), and currently 3rd plant in South is under construction. Oji group will further to expand business by establishing the new 4th plant in North where demand growth is expected.

The new plant will be Oji group’s 36th corrugated container plant in South East Asia, India and Oceania.
