## Oji Group provides its paper product to DELTA International Co., Ltd.

---

Oji Holdings (CEO: Masatoshi Kaku, Head Office: Tokyo) announces that the Oji Group's paper was chosen by DELTA International Co., Ltd. for their "Lo-Ca-Bo Nuts" and "Umami broth flavored mixed nuts" products (\*1).

With the rise in the environmental awareness as manifested in events COP26 (\*2) held in November 2021 in Scotland, there has been a growing demand in reducing the use of plastics and adopting paper. The Oji Group would like to engage in SDGs by supply of environmental friendly products together with our clients' actions.

(\*1) The package is laminated with aluminum film and paper to keep the nuts fresh.

(\*2) United Nations Climate Change Conference

“Lo-Ca-Bo Nuts”

“Umami broth flavored mixed nuts”

“Lo-Ca-Bo Nuts” and “Umami broth flavored mixed nuts” are roasted nuts with dried bonito powder from NINBEN CO.,LTD., achieving highly aromatic, mild taste. As each pack (20g) contains only 1.7g of carbohydrates, it can be enjoyed not only as a healthy snack or a light snack, but also as a topping of a salad or healthy appetizer. Please enjoy these delicious, low-carb and unique Japanese style products,
