
Selection as a Member of the “SOMPO Sustainability Index” four years in a row

Oji Holdings Corporation (President: Hiroyuki Isono; Headquarters: Chuo-ku, Tokyo: hereinafter “Oji Holdings”) announces that it was selected as a member of the SOMPO Sustainability Index, an index managed by SOMPO Asset Management Co., Ltd. (“SOMPO Asset Management”) and used for the company’s “SOMPO Sustainable Management” investment product for the fourth consecutive year.

“SOMPO Sustainable Management” is a responsible investment product for pension funds and institutional investors that invests in a wide range of companies with a strong reputation for environmental, social, and corporate governance (ESG). SOMPO Asset Management builds a portfolio and manages long-term investments based on its own SOMPO Sustainability Index, which comprises approximately 300 companies with outstanding ESG-related initiatives.

Stocks included in the SOMPO Sustainability Index are selected based on the results of “Buna no Mori (Beech Forest) Environment Questionnaire” and “ESG Management Survey” conducted by SOMPO Risk Management Inc. and are reviewed every year. Oji Holdings Corporation has been selected as a member of the index in recognition of its ESG initiatives.

The Oji Group has made “Harmony with Nature and Society” as a part of its management philosophy. To achieve this, the Group is working on the “realization of a sustainable society,” which is the aim of the Sustainable Development Goals (SDGs), through a variety of measures that give consideration to the environment, society, and the economy.
